Nordic Swan Ecolabelled products

Designation: See appendix

Nordic Ecolabelling hereby grants the licensee the right to use the Nordic Swan Ecolabel in accordance with the terms of the licence. This right applies to the use of, in connection with, or in conjunction with the marketing of the products covered by the licence only in the countries listed in appendix 1. If you want to sell/market your ecolabelled product in other countries it requires a separate registration or licence in each country. Fees might apply for each country.

The Nordic Swan Ecolabel licence is valid until the specified date. The validity period of the criteria may be extended, in which case the licence is automatically extended.

The licence may be revoked immediately if the Regulations of Nordic Ecolabelling are not followed or if the product does not meet the criteria for the product group.

Trade names covered by the licence are listed in appendix 1.
